SUBJECT: Change to the Filing Requirements for Leases of Real Property

Public Act 86-657, which will become effective January 1, 1990, amends Section 9 of the State Finance Act by eliminating the requirement that all leases of real property be filed with the State Comptroller.

Effective January 1, 1990, leases of real property will be subject only to the filing requirements of Section 15 of the State Comptroller Act. Therefore, effective January 1, 1990, only leases of real property for amounts greater than \$5,000 will be required to be filed and obligated with this office.

If you have any questions concerning this matter, please call me at 782-3608.

Sincerely,
