- (A) Expenses related to bond sales are to be allocated upon completion of bonding program since the statute does not set out a separate authorization for this purpose. Spending in this category reduces the available bond authorization amounts for other projects.
- (B) Thomson Prison spending is not counted against bond authorization, amounts were expended in FY13 and FY14 only. Amounts are not included in the Total column.
- (C) Certain bond fund expenditures were used to pay expenditures related to the Coronavirus pandemic during FY20 and FY21. Some of these expenditures have been reimbursed from the State Coronavirus Urgent Remediation Emergency Fund. These reimbursements are not included in the Total column.
