SUBJECT: Recap of General and Special  
Obligation Bonded Indebtedness and  
Update of Comparisons of General  
and Special Obligation Bond Activity

Attached are the Recap of General and Special Obligation Bonded Indebtedness (Exhibit I) and the following comparisons of general obligation bond activity (i.e., Anti-Pollution, Capital Development, School Construction, Transportation "A", Transportation "B", Transportation "D", and Coal Development,) and special obligation bond activity (Build Illinois Bonds) as of March 31, 2011:

- (1) Comparison of Expended/Appropriated Project Commitments to Statutory Authorizations.
- (2) Summary of Expenditures Per Statutory Purposes (current year and lapse year when applicable). Prior years' "Summary of Expenditures Per Statutory Purposes" are available upon request.
- (3) Comparison of Expended/Governor Released Projects to Statutory Authorizations.
- (4) Comparison of Expended/Obligated Projects to Statutory Authorizations.

Prior year information presented was obtained from the Comptroller's prior year audited financial statements. Current year amounts were extracted from the Statewide Accounting Management System (SAMS) Information Warehouse and the Mun-Ease Bonded Indebtedness System.
