TO: All State Universities
Attention: Payroll Office

SUBJECT: Credit Union Payroll Warrants

Effective immediately, payroll warrant(s) for credit unions will be returned to universities with their employee salary warrants.

It will be the university's responsibility to assure that the credit union warrants are presented to the credit unions on a timely basis.

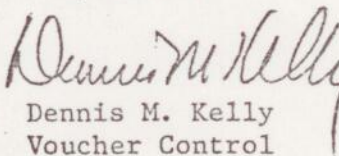

The university should also inform the credit union that a itemized listing will be sent from the Comptroller's Office to the credit union as soon as all payroll deductions have been processed by this office.

This procedure applies only to credit unions and, therefore, does not include any other payroll trailer (non-employee) warrants.

If you have any questions concerning this procedure, please contact Kermit Kerley at 782-4758.

Very truly yours,
