SPRINGFIELD, ILLINOIS 62706

TO: All State Agencies, Departments, Boards,
Commissions and Universities

SUBJECT: Insurance and Retirement Rate Changes

This bulletin is a reminder that effective with the pay period beginning July 1, 1977, State paid health insurance will change as follows:

<u>Employee Health</u>	<u>Present Monthly Rate</u>	<u>New Monthly Rate</u>
Ineligible for Medicare:	\$38.86	\$46.10
Eligible for Medicare:	\$11.28	\$13.80

These are the rates which were published by the Department of Personnel in their bulletin on May 25, 1977. Also effective July 1, 1977, employee paid life insurance will decrease from \$.66 per month per \$1000.00 of insurance to \$.62 per month per \$1000.00 of insurance.

The new State paid health rates will be pre-listed to non-tape agencies for the July 1-15, 1977 pay period. It will be the responsibility of the agency to make the appropriate changes to the payroll voucher for the employee paid life insurance. Tape-submitting agencies will have to make both of the changes to the State paid health insurance and the employee paid life insurance.

Beginning September 1, 1977, there will be a rate change for State health dependent coverage. Please refer to the Department of Personnel's bulletin regarding these new rates. If you do not have this bulletin, please contact the Department of Personnel at (217) 782-2548.

Also effective July 1, 1977, the State's contribution to the State Employees' Retirement System will increase from 6.7% to 7.3%. Please refer to the payroll bulletin of June 10, 1977 issued by the State Employees' Retirement System. If you do not have this bulletin, please contact that system at (217) 782-6191.
