PAYROLL BULLETIN
(9-77)

201 STATE HOUSE
SPRINGFIELD, ILLINOIS 62706
217/782-6000

TO: All State Agencies, Departments, Boards,
Commissions and Universities

SUBJECT: New Status Codes, Retirement Copy of Payroll Voucher
and New FICA Rate

In a bulletin from Michael L. Mory dated December 2, 1977, he outlined the use of the Time Worked Basis codes and the Time Worked column as well as three additional status codes. In order that they may comply with P.A.# 80-841 (HB1782) we are urging you to read this bulletin carefully and use these codes as they have requested. If you have questions regarding the use of these codes please contact the State Employees' Retirement System at (217) 782-6191.

Effectively immediately, this office will no longer require that the State Retirement copy of the payroll voucher be submitted to our office for vouchers which have deductions only for the State Employees' Retirement and Teachers Retirement Systems. Those agencies who have deductions for Judges and General Assembly retirement contributions should continue to submit this copy with their payrolls as they have in the past even though on future payroll vouchers, this copy will be changed to read Department copy.

Beginning with the pay period December 16, 1977 through December 31, 1977 the new F.I.C.A. rate will be 6.05% on the first \$17,700.00 of wages which are subject to F.I.C.A. For non-tape agencies, the pre-lists beginning with this pay period will show this new percentage. We will change only the detail records. You will have to change the trailer record amounts.

If you have any questions regarding this new procedure, please contact Cheryl Shride or myself at (217) 782-4758.

Very truly yours,
