To: All State Agencies, Boards and Commissions  
From: Marvin Becker, Assistant Comptroller – Operations  
Date: July 7, 2017  
Subject: Illinois Income Tax Rate  
Number: 1-17

Per Public Act 100-0022, the Illinois income tax rate for individuals has been increased from 3.75% to 4.95% effective July 1, 2017.

The Illinois Office of the Comptroller (IOC) has implemented edits for the new tax rate. All payroll and C-02 vouchers received by the IOC for Fiscal Year 2018 pay periods must be in compliance with the new 4.95% tax rate. Payrolls that remain to be paid from Fiscal Year 2017 should use the previous tax rate of 3.75%.

Please ensure employees are aware of this increase.
