

SUSANA A. MENDOZA

ILLINOIS STATE COMPTROLLER

FILLING OUT THE FY 2026 ANNUAL FINANCIAL REPORT (AFR) FROM A TREASURER'S REPORT A FINANCIAL CROSSWALK

Record all financial data from government's general funds in the "General" column.

Example: All financial data in the "Ambulance Fund" or any other special revenue funds collected from taxes, intergovernmental sources or other types of fees should be recorded in the "Special" column.

Use the "Other" column for funds that are not general, special or enterprise funds such as capital, debt service or fiduciary. **NOTE:** Very few small governments have these types of funds.

Record any debt payments for tax warrants, loans, or bonds in Code 259. Record all activity pertaining to debt, including total amount of new debt instruments (Code 411), amount paid (Code 417) and the amount still owed (Code 423) in the debt section.

I, JOHN DOE, Treasurer of ABC Park District, do hereby certify that the following statement is a correct report of the fiscal year ended May 30, 2026

John Doe, Treasurer,

This crosswalk is to assist special purpose governments when filling out the FY 2026 Annual Financial Report.

All Codes appearing in **BLUE** are suggested fields on the AFR to record the financial data found on this sample treasurer's report. Closely analyze your government's Treasurer's Report to determine the appropriate categories and codes to record its financial activity.

Please use the **Chart of Accounts** and **Comptroller Connect Instructions** documents for additional assistance.

If you have questions or need additional assistance please call our Local Government Assistance Hotline at **(877) 304-3899**.
